# UII LEARNING CENTER

UII Learning Center was established in 2019. As a pioneer student service center in Indonesia, the role of UII Learning Center is to ensure students have a smooth transition to university life and find the support they need. IT exists to help students managing any academic issues that may impact their learning process at UII. Therefore, UII Learning Center plays a crucial role in helping students to know how to learn effectively, and improve continuously so they can utilize their potential to get the best outcome possible as a scholar.

Some services provided by UII Learning Center are:

## PROOFREADING

Writing can be a very complicated process, but We Provide a service to monitor and evaluate your writing skill improvement. Our tutor will assist you to improve your writing ability by giving feedback and suggestions.

### Upload your draft and we will give you constructive feedback

Being able to write an essay properly will also help you to promote your ability in synthesizing a problem. Therefore, improve your writing skills with our proofreading services. We will proofread your file for grammar, spelling, formatting, word choice, sentence structure, style, consistency, and more. We'll track our changes and deliver your revised file via email before your deadline.

## WORKSHOP

UII Learning Center offers various workshops to help you get the most out of your university life. Workshops will be held regularly twice every month, with each program dedicated to offer six different workshops in a year. These workshops is not only targeted for IP students, but also for the UII student community as a whole. The topic is about:

- Workshop Material
- Critical Reading
- Critical Thinking
- Avoiding Plagiarism
- Writing Essay
- Presenting

## FIND A TUTOR

Feeling lack of confident? Need a help to plan your study path?

### Why do I need to find a tutor?

- Staying ahead on work and busting procrastination
- Building effective study methods
- Overcoming test anxiety
- Developing writing skills
- Improving test-taking strategies
- Learning more from readings and lectures
- Becoming a confident and resilient student
- Memorizing more information in less time
- Developing a thorough plan for tackling midterms and finals

### Do I need to bring anything?

- The discussion will be focused on the strengths, and weaknesses, so the only thing required is your presence and willingness to brainstorm.
- You can also get specific feedback on your note-taking, reading, or writing by bringing in a notebook, textbook, or paper.

### What can I expect during an appointment?

Discussion will be focused on assessing your current strategies, learning about new and effective strategies, and developing a personalized plan of action to help you reach your academic goals.

### Bagaimana saya mempersiapkan diri untuk janji temu?

You have to decide the specific goals before making an appointment and be honest to communicate the problems that you have to your tutor when you arrive.
